Marcus Richardson : Solar Storm: Episode 2: NORTHERN LIGHTS before purchasing it in order to gage whether or not it would be worth my time, and all praised Solar Storm: Episode 2: NORTHERN LIGHTS:

2 of 2 people found the following review helpful. Good!By VictoriaI hope when the SHTF, I'm not as disbelieving as Jay. I'm off to read book 3. I want a best friend like Mac to smack me around get m head in the game!0 of 0 people found the following review helpful. A great story that is worth the read.By Larry HooverOf you like stories you will like this one. A wimp that questions everything and is learning the hard way what lies in store if and when tshtf and an ex military vet that's been through similar situations in combat. Great job writing. Looking forward to next book.0 of 0 people found the following review helpful. Great ReadBy Donna E ReeseFast paced action in this post-apocalyptic thriller, keeps you turning pages, and at the end of the books gets you ready for the next segment in the series. I really have enjoyed this series so far and will keep on reading episodes as they become available.

Solar Storm is a serialized story published in 5 episodes of about 20,000 words each. Each episode will be released as they are finished so readers do not have to wait until the entire story is written to read along. Solar Storm is a look at our future through the eyes of the average American, with an aim to educate and inspire. How far are you willing to go?Episode 2Jay Cantrell kissed his old life goodbye and started out to find his daughter. Will he have what it takes to reach her in time? The veneer of civilization is cracking all around him and he has two options: give up and become a statistic, or fight and rescue his daughter.Kate survived the landing, but can she survive a cross-country trip in a world without electricity? From the moment she steps off her plane, Kate discovers the world will never be the same. It's a long way from California to Illinoishellip;Leah faces down unrest on campus and must decide whether to stay and face starving locals or flee with other students into the vast unknown. Without a way to communication with her father, she has to put her life on the line: bug in or bug out?In a world where electricity is a thing of the past, can there be any hope for the future? After all, it's not a matter of if a CME will strike the earth, but when.Solar Storm is a serialized story published in 5 episodes of about 20,000 words each. Each episode will be released as they are finished so readers do not have to wait until the entire story is written to read along. Solar Storm is a look at our future through the eyes of the average American, with an aim to educate and inspire.
